VALUE OF DONATION:

Mercy Gate Ministries is a Kerr County 501(c)(3) ministry dedicated to the rescue and rehabilitation of those affected by human trafficking, sexual exploitation and trauma. Compelled by the love of Christ, we meet them exactly where they are, infusing them with renewed hope and restored dignity.

We provide safe housing, restoration and advocacy programs, and partner with many organizations state-wide to help those in need. We also work to educate communities and train individuals to fight trafficking that is happening in their cities.

We do this by using the following 4 Steps in the Battle Against Slavery and Sexual Exploitation:

**PREVENT | RESCUE | RESTORE | ADVOCATE**

Our vision is to see human slavery completely eradicated and every victim provided the resources they need to recover from trauma and live the full lives they deserve.

## **OUR IMMEDIATE NEEDS**

### **We need to help more victims.**

Texas alone has over an estimated 313,000 victims of human trafficking. Mercy Gate Ministries has been blessed with the opportunity to purchase a larger facility. We are now in need of help to set this facility up in a way that will be beneficial for the women we serve. Our new location is in need of some remodeling to accommodate the now 12 women we will be able to house as they complete the Journey Program. We will also need furniture for our new location. Our hope is to set this facility up in a way that our program participants will feel safe and welcome.

Together, with your help, we can provide a safe place for survivors to live, heal, be educated, supply medical and psychological care and help put these women back on the road to success and happiness.

Your donation to this event will go toward support for Mercy Gate Ministries including, but not limited to the Magdalene House, Journey program, ARC, housing, education, medical, mental health, program supplies, office, art therapy and equine therapy.

Mercy Gate Ministries thanks you for your generous contribution and support!
