Hope in the Hill Country

AN EVENING OF HOPE & RESTORATION

Mercy Gate Ministries invites you to join us for Hope in the Hill Country – Bandera, a special evening celebrating what the Lord is doing through Mercy Gate in the Bandera community. Together, we'll share stories of lives being transformed, the growing work taking place in Bandera and how our community can come alongside women and families on their journey toward healing, restoration and lasting hope.

MERCY GATE MINISTRIES

Mercy Gate Ministries is a Christ-centered, trauma-informed nonprofit serving women whose lives have been impacted by sexual trauma, exploitation and trafficking.

Since our founding in 2017, Mercy Gate has walked alongside hundreds of women as they move from crisis and victimization toward healing, stability, healthy relationships and purpose.

Our mission goes beyond providing immediate help. We believe in restoration. That means walking with women over time and addressing the spiritual, emotional, relational and practical areas of their lives.

MERCY GATE IN BANDERA

Through our Bandera Classroom, Counseling and Community Center, women receive:

- Individual counseling
- Trauma-informed classes and life-skills education
- Mentoring and relational advocacy
- Christ-centered discipleship
- Spiritual support and prayer
- Advocacy and connection to community resources
- Support for women involved with the justice system
- Jail ministry
- Family restoration and reunification support

For many women, healing does not happen through one appointment, one class or one program.

It happens through relationship and community.

Mercy Gate Ministries believes in the power of a connected community. We are grateful for the strong partnerships we are building in Bandera and for the opportunities to work alongside churches, courts, law enforcement, community organizations and individuals who share our desire to see women and families experience lasting hope, healing and restoration.
