Silent & Live Auction **DONATIONS**

Would you or your business/organization like to support Mercy Gate Ministries by donating a silent or live auction item? We are in need of auction items for our fundraising dinner event on April 30, 2026.

Mercy Gate Ministries is a Kerr County 501(c)(3) ministry dedicated to demonstrating the life-changing gospel of Jesus Christ to those affected by human trafficking and sexual exploitation.

All donations are tax-deductible, and all auction proceeds will support the programs of Mercy Gate Ministries, specifically our Direct Care services that champion survivors of sexual trauma to freedom by focusing on customized, trauma-informed, Christ-centered residential and nonresidential restoration programs and courtroom and jail advocacy support for victim defendants in the criminal justice system. For more information on these programs, please visit our website at www.mercygateministries.com.

If you would like to donate any items, please fill in the information below. Thank you so much for your support! We could not do this without you!

Sincerely,

Chae Spencer, Executive Director & Mercy Gate team

MERCY GATE
MINISTRIES

A WORLD FREE OF TRAUMA IS NOT A WORLD THAT WE LIVE IN TODAY.

A world filled with overcomers is.

Redeeming lives lost to sexual trauma is a complex and arduous journey with no quick fixes. Mercy Gate is a survivor-led and survivor-inspired organization that is committed to redeeming lives that have been stolen and supporting women as they take the bold step towards freedom – freedom from sexual trauma, freedom from the lies about their identity, and freedom to enter back into society, restored and renewed.

Rooted in who we already are.

Mercy Gate Ministries has faithfully served women overcomers through direct care, advocacy, and long-term restoration support. As we continue to solidify the work we have already done, we have learned that healing does not stop with the individual woman. Trauma impacts children, families, and future generations. We believe the best gift a mother can give her child isn't just fulfilling basic needs, it's her own healing, maturity, and emotional presence. When our survivors can be reconnected with their children and encouraged by a sisterhood of supporters, the healing process becomes generational, and the cycle of trauma stops.

Through Christ-centered, trauma-informed care, Mercy Gate Ministries has helped over 600 overcomers transition from victimization to victory. Your support will ensure that even more overcomers will have a place of refuge and restoration, and also a place that prepares them and their families to step into the lives God created them to live.
